TRAINING

Actorium Training Centre, Vancouver - *Instructed by Michelle Meyrink*

January 2018 - Ongoing

I have been lucky to take fantastic acting classes with Actorium. Beginners classes use Meisner technique to hone authenticity and relationship. Higher level, scene study courses have allowed me to apply method acting techniques, while performing both live and on film.

Due to COVID-19, the school has moved online. This has helped me develop further as an actor - pushing me to self-tape every week and to practice the quick preparation needed for self-taped auditions.

SKILLS

Music:

Emphasis on vocals - I am a soprano with continuing training. Classically trained violinist (10 years through childhood), as well as basic guitar (campfire chord songs and simple fingerpicking).

Athletics

Accomplished snowboarder, skier, rollerblader/skater, longboarder swimmer and horseback rider. Moderate experience in surfing, shooting, archery, and racket sports. Experienced driver. I workout daily, keeping fit and strong enough to adapt to many athletic activities. Dance experience includes basic tap, jazz and ballet.

Language

Working french and strong french accent. Passable british, german accents. Very basic German and Turkish. Excellent ear, and knack for picking up language and accents in general.

Life experience

I have diverse life experience having worked as a cook, and as a software developer both in corporate and startup environments. I have volunteered with at risk kids and have met all kinds of people in recovery.
